REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

Brewer Middle School serves a diverse population of learners from multiple elementary schools in Greenwood District 50. We serve approximately 700 students in grades six through eight. Brewer offers a core program focusing on ELA, Math, Science and Social Studies and related arts classes which offer multiple opportunities for students. A single-gender choice program is available in each grade level. Brewer is also home to the ACTS Program. The Arts, Communication, and Theatre School uses a "school within a school" model providing artistically talented students with an academically challenging arts integrated curriculum.

Not only does Brewer offer an outstanding academic program, we also offer multiple opportunities for our students to excel in extra curricular areas. Our athletic teams had a great year winning multiple conference and city championships. We recently renovated our football/soccer stadium. Our Brewer Cheerleaders won multiple awards as well. Our ACTS program provided multiple performances as well as two year-end showcases that were outstanding. We were also recognized as having the South Carolina Middle School Coach of the Year as a member of our faculty.

Academically, Brewer Middle School had an excellent year. Four of our students were recognized as Duke TIP Scholars, three students placed (1st, 2nd, and 3rd) in the Knights of Columbus Essay Contest; we inducted 57 new Beta Club members, and we had 32 Junior Scholars. We had eight students selected to attend the South Carolina Governor's School for the Arts. Our Academic Challenge Teams placed 2nd and 3rd out of six teams in our district. Our drama students won multiple awards this year in their first ever competition.

Our students and staff did an excellent job this year with fundraising as well. We raised more than 100% of our goal for United Way. We also raised in excess of \$5000 for March of Dimes, more than any school in our district. Brewer also maintains a food bank in which we help serve various organizations in our community.

Our teachers were provided with multiple professional development opportunities throughout the year. They attended Project CRIS training, single gender training, iPad training, Compass Learning training, along with other sessions as well.

We are very proud of our accomplishments this year and we attribute our successes to our dedicated faculty and staff, our Parent Teacher Organization, an active School Improvement Council, excellent district level leadership, a supportive school board, and parental and community involvement.

Chad M. Evans – Principal
Mrs. Betty Jo Henderson – SIC Chairperson
